all this in our grapes and wines*

Don Vicè

APPELLATION

D.O.C.G. Cerasuolo di Vittoria Classico

DESCRIPTION

Cerasuolo di Vittoria, the only DOCG in Sicily, is a wine that stems from an antique tradition. Its peculiar taste is a perfect balance between the delicacy and the strength coming from the combination of Nero d'Avola and Frappato grapes.

GRAPE VARIETIES

60% Nero d'Avola and 40% Frappato.

PRODUCTION AREA

Biviere and Fegotto districts, Chiaramonte Gulfi (RG), Sicily, Italy.

ALTITUDE

300 meters a.s.l.

CLIMATE

Temperate climate characterized by mild winters and dry summers with strong temperature variations between day and night.

TYPE OF SOIL

Medium-textured soil, partly sandy interspersed with clay layers (Frappato) and partly limestone and silica (Nero d'Avola).

TRAINING SYSTEM

Counter-espalier with spurred cordon pruning, 4.500 plants/ha.

YIELD PER HECTARE

7000 kg

HARVEST

Manual harvesting in small crates with accurate selection of grapes in mid-October at perfect maturity.

VINIFICATION AND REFINEMENT

Pre-fermentative maceration for 48 hours. Alcoholic fermentation carried out at controlled temperature of 20 – 26 °C with 15 days of skin maceration. Malolactic fermentation is followed by 18 months of refinement, partly in tonneaux, partly in steel and at least 36 months in bottle.

ALCOHOL CONTENT

14%

ANNUAL AVERAGE PRODUCTION

2000 bottles.

COLOR

Ruby red color with garnet reflections.

NOSE

Complex and elegant, with notes of ripe fruits, marasca cherry, aromatic herbs, eucalyptus, black pepper, star anise and licorice.

PALATE

On the palate full, soft, round with velvety tannins, quite tasty, very persistent, very long.

PAIRINGS

Excellent with seasoned cheeses, first courses, red meat, venison.

SERVING TEMPERATURE 18 °C
